Rx

SYMPTOMS: Irritable, cranky, frustrated, overworked, stressed out

DIAGNOSIS: Patient is responsible for purchasing medical supplies, office products, and furniture in addition to their regular office duties. The stress of ordering from multiple sources, receiving multiple deliveries and paying multiple invoices is taking a toll.

RECOMMENDED TREATMENT: Consolidating purchases to one source –Alpha Office Products

PROGNOSIS: Excellent prospects for full recovery!

SIGNATURE: _____

Alpha Office Products is pleased to announce that we now carry an extensive line of health care supplies including the **New Security Prescription Pads** in addition to our comprehensive offering of office products, office furniture, computer supplies, business machines, cleaning supplies, snacks and beverages.

We can now be your next-day source for latex gloves, exam tables and exam table paper, disposable gowns, stethoscopes, blood pressure devices, thermometers, hazardous waste disposal containers, cleaning supplies and much more!

Now you can get it all – next day – from one convenient dependable source.
