

## +SOLUTION

# Replace cloth towels & rags with wipers

Wipers are textured for scrubbing, tear-resistant and strong enough to be washed and reused—you'll get a better performing product that saves money and time.

## HOW TO SELECT A WIPER

TYPE	CHARACTERISTICS	BEST USES	PRODUCTS
<b>Heavy-Duty</b>	Reusable, strong and durable; Stands up to cleaners and solvents	Heavy-duty jobs; Cleaning copiers, toners, grease and hard to clean spots	Brawny #25070, Wypall X80, Worxwell #8481
<b>Medium-Duty</b>	Thick with cloth-like softness	Everyday cleaning needs; Glass, computers, desks, white board, breakroom spills; kitchen applications	Brawny 20070/03, Wypall X60, Wypall L40, Genuine Joe #20275
<b>Light-Duty</b>	Absorbent, best low-cost, single-use wiper	Delicate items, glass cleaning, light spills and white board	Brawny #29811/03, Chix #8311, Chix #8007, AccuWipe #297-12
<b>Dusting</b>	Gets rid of dust in the office	Copy machines, desks and office furniture	Brawny #29616
<b>Busing</b>	Low cost; rinse out the dirt and reuse	Countertops and breakroom tables	Brawny #29406
